

BALLOT MEASURE

To maintain a full service hospital in our community; expand and enhance the Emergency Room to ensure access to lifesaving care; maintain critical medical services including pediatrics, maternity, long term care for seniors and cancer care; and upgrade facilities that are outdated or do not meet state-mandated earthquake safety standards, shall Tahoe Forest Hospital District issue \$98.5 million in bonds to improve healthcare facilities with an independent citizens' oversight committee and all funds being spent on local projects?
